

## NESTAL COSMETICS

Nestal Cosmetics is owned and operated by Robin and James E. Walton. It is a division of R & J Enterprise. Robin is President & CEO and James is Vice-President & COO. It took many years of hard work to develop our exquisite line of cosmetics. Our products are produced using scientific and dermatological research, and in accordance with industry standard Good Manufacturing Procedures (GMP). We also follow recommendations of the FDA.

We have an array of products to offer you. The majority of our products are made right here in the USA. We are Black owned and operated. This is an excellent product not just for women of color, but for all women who want to look and feel beautiful. “Our Number One Priority is Your Beauty”!!!

We carry Crème-to-Powder, Oil-Free Pressed Power and Two-way Foundations.

Our Crème-to-Powder Foundation goes on as a cream, but dries as a powder. It will give you a natural matte finish.

- Benefits:
- Long-wearing
- Dual-purpose
- Blendable
- Antioxidant Vitamin E nourishes skin
- Sensitivity tested

Oil Free Pressed Powder is a shine-absorbing oil free formulation for all skin types, with a natural matte finish that leaves skin looking even and flawless. It can also be used as a perfect blotting powder.

Two-Foundation is a foundation and powder all in one. This product can be brushed on dry for an opaque coverage, or sponged on wet for a sheer coverage. It evens out difficult complexions and it is easy to carry for preventing shine throughout the day.

- Benefits:
- Multi-purpose
- Portable
- Blendable
- Shine Free

Collage Powder: These silky powders offer the best variety of shades that blend together for bronzing, highlighting, and evening out skin tones. With holographic pigments, Collage Powders diffuse light for a soft and youthful glow!

Powder Blush, Blush Glow, Color-Phase Beyond Blush, and Color Swirls.

Powder Blush comes in many hues and they are low in frost. Our Blush Glow also comes in many shades, but have a frost glow to them to give the cheek a little sparkle. Color-Phase-Beyond Blush, contour and define cheeks by blending three complementary shades of powder blushes. Go lighter to highlight cheeks and medium to dark for subtle contour and contrast on cheekbones. Powders blend easily for long lasting, natural radiance. And last the Color Swirls; brighten the face with swirls of shimmering color for an instant glow! Brush nose, forehead and chin. To get the best effect, use with our Kabuki Brush.

## Correctors and Contouring Colors:

Color Correctors work to counteract specific flaws in facial complexions. Our potted crème formula hides imperfections, evens out skin tones, and covers blemishes. Apply after moisturizer and before foundation.

Mint neutralizes redness; Alabaster covers dark circles on warm skin tones; Lavender gives a yellowish complexion a healthy glow and covers sallowness; Pink highlights all skin tones.

## Eye Shadows: Matte and Frosted

For fashion forward eyes, these velvety, versatile shadows come in fabulous range of matte and pearlized shades that can be worn wet or dry to create infinite looks. Packed with the finest pigments to ensure incredible blendability for a fast and easy application.

## Luminescent Cream Shadow:

Create a shimmering wash of color with our cream shadow. Apply to the eye, or use as a highlighter on lips and checks.

## Eye Shadow Drop Kits:

Create endless enchanting eye looks with these four-color combination kits. Choose from seventy-eight matte and shimmer shades of soft shadows that glide on smoothly and blend easily without smudging. You get to personalize your drop kit by choosing your own four colors.

### Color-Phase Eye Shadows:

You get make-up artist eye color looks, whether dramatic or subtle, with these coordinated trios pressed into one pan.

### Cream Shadow Quads:

Different eye looks are easy to create using our already color coordinated Cream Shadow Quads. The color combinations are delicious to look at and come in a palate of colors. Designed to create a flirty, sexy eye look.

### Slim Eye Pencils:

Shape eyes with this smooth and creamy textured eye pencil. This soft formula glides on lids smoothly without pulling or tugging. Our darker shades can be used as a brow pencil to give eyebrows a soft and natural look.

### Long and Luscious Mascara Smudge Proof:

Lash it out- with this mascara and state of the art brush, which is designed to lengthen lashes without clumping and open the eye.

### Curling Lash Mascara Smudge Proof:

Lash glamour mascara has a wand and formula specifically designed for curling lashes and adding rich color.

### Indelible Eyes:

Waterproof Long Wearing Automatic Eye Liner with Sponge Blender.

Keep eyeliner on all day long with this anti-oxidant enriched formula. Line and define beautifully shaped eyes, using the smooth glide on color tip with attached sponge for no mess blending.

### Pearl Lipsticks:

Brighten any smile with our large variety of luscious, frosty, sexy pearl lipsticks. This lipstick is packed with Vitamin E and Castor Oils for continuous moisture.

### Matte Lipsticks:

Your lips will feel just like suede, with our velvety soft Matte Lipsticks, an array of eye candy colors that glide on smooth and stay put. Enriched with antioxidants for continuous moisture and protection, lips will not go dry.

### Vitamin E Stick:

Give lips a drink! Apply this moisture intense Vitamin E infused natural lip treatment daily to soften lips.

### Vitamin C Stick:

An anti aging lip treatment, renews, softens and nourishes for youthful looking lips. This replenishing lips formula smoothes out fine lines and wrinkles while protecting lips from environmental damage.

### Lip Stabilizer:

Stay true to original package lip color! Apply lip stabilizer to neutralize pink, blue or red lip tones, and stop color from changing on different skin shades.

### Lumi-Shine:

Brush on our Lumi-Shine Lip Gloss for sparkling lips that shine all day long! Wear it alone for a glowing smile with a hint of color and sparkle. Or use it over your favorite lip color for an extra luscious boost of shine. No sticky mess, the brush on application is easy, and allows thicker application with no smearing.

### Slim Lip Pencils:

Draw the perfect lip out line with our richly textured super-smooth, lip defining formula. Soft pencils won't drag or pull on your delicate lip line, and easy to sharpen to the perfect point. Helps keep lipstick in place and stops color from feathering.

We have a variety of tools for applying your make up, which will make you look as though a professional has made up your face. Our Kabuki Brush is a must have brush. I call it the miracle brush it's perfect for all powders. It is made of sable, soft and smooth. It's portable so you can take it with you to touch up your face. It is washable, and will last you many years as long as you treat it as well as the great results that you will receive from it's use.

## Brush Cleaner:

A cleansing solution, tailor-made for make-up brushes. Keeps brush bristles soft and flexible extending its durability and lifetime. A must have for every make-up toolbox.

## Skin Care:

I have chosen a skin care product, which I feel will be perfect for our customers. Natures Dermatology Action C
